

How Treatment Will Work:

- Clients are required to go have a consultation with the provider to see if they qualify as a candidate for the treatment.
- Clients must attend **ALL WEEKLY** appointments on the designated date/time. Failure to do so will compromise results. Appointments **CANNOT** be rescheduled. **PLEASE BOOK ACCORDINGLY**
- A consult fee of \$75 must be paid through card as deposit for appointment. The consultation fee is **NON-REFUNDABLE**. (if appointment is canceled or reschedule a **NEW FEE** will be required to book)
- Lab Results of blood work are required. Results must be within one year from Appointment date.
 - If you do not have recent labs, contact Aikana Esthetic Center where we can provide you with an order form which you can take to any lab clinic. Any fees or cost from lab clinics will be covered by the patient
 - **Failure to bring lab results to appointment will result in consultation cancellation without a refund.**

Once the client is approved for treatment after consultation, medication will be administered and remaining weekly sessions must be **BOOKED** on that day.

Client will leave with an information guide for this weight loss journey.
